FOUNDATIONS—THE TWO OF 'YOU'

CIRCE'S CODE
ASTROLOGY FOR A FREE EARTH

Circe's Code uses the Placidus House system. There are twelve houses. The houses go around the wheel counter-clockwise. The 1st house begins at the East Point of the chart and is associated with the sign of Aries♈. The 2nd house is next, going counter-clockwise, and is associated with the sign of Taurus♉. The houses aren't really "houses". They are more like workstations, but that is a lesson for another day.
